

## Quality Policy Statement

ReGen is committed to developing and maintaining a Quality Management System in accordance with the requirements of ISO9001:2015

Senior management are committed to develop:

- A policy framework which will enable ReGen to not only meet but exceed customer's expectations.
- A continuously improved Quality Management System which ensures that only the highest quality of materials is produced, in line with legislative requirements.
- Provide a framework for the establishment and review of Quality Objectives.
- Is communicated and understood at all levels within the organisation.
- Ensure that our range of services available are continually reviewed for continuing suitability and cost effectiveness.
- Our aim is to become the market leader, through a customer focused approach and by devoting our strength to the challenge of continuous improvement.

We, as a company, pledge our efforts and endeavours to securing a level of service beyond the expectations of all our customers and in so doing establish a reputation synonymous with quality.

ReGen are committed to continually improving risk management, to identify procedural improvements and controls to provide a safe working environment throughout the organisation.

Through the ongoing development of our people, we shall ensure that the needs and expectations of our customers, suppliers and other interested parties are fully satisfied, through a well-trained and customer focused workforce.

We shall ensure that this policy is communicated and understood at all levels within ReGen and that the resulting Quality Management System including this Policy and supporting Quality Objectives will be regularly reviewed to ensure its continuing suitability and effectiveness.

A handwritten signature in black ink that reads "Joseph Doherty". The signature is written in a cursive, slightly slanted style.
